Subject: RE: Your City is Invited! 54 KY Cities and Counting! Campaign/Challenge to Reduce Violence in Kentucky

Mr. Wain:

Please be advised that yesterday afternoon the Greenville City Council approved a "mayoral proclamation", declaring October 25th as "Win The War! Against Violence - The 2012 Ten Percent Challenge Day", and asked that our Police Department join us in striving to do just that... reduce violence in our community. We are honored to join with other cities and mayors in this valiant effort.

Best Regards,

Ben Van Hooser
City Administrator
