Mr. Douglas Wain
Win the War Against Violence
P. O. Box 11037
Lexington, KY 40512-1037

Dear Mr. Wain:

On behalf of the students, faculty and staff of Morehead State University, I am pleased to offer the University's support for the campaign to *Win the War Against Violence*.

MSU's primary mission is to educate students for success in a global economy. Therefore, we constantly strive to provide a learning environment for our students that is safe and free from violence. In fact, MSU has been recognized for a number of years as the safest campus in the Commonwealth.

Moreover, Morehead State recently hosted Secretary of State Alison Lundergan Grimes for a roundtable discussion on ways to improve Kentucky's overall civic health. Nearly 300 students, local and state officials, and citizens attended the session. It was an overwhelming success to elicit support for the war against violence and to instill in our students the importance of civility and civic engagement. As educators entrusted with Kentucky's sons and daughters, there is no greater responsibility than to provide a safe campus where students can study and learn.

I appreciate your leadership in your quest to reduce violence in Kentucky and pledge Morehead State University's continued support of this important public issue.

Most sincerely,

Wayne D. Andrews
President
