Mr. Douglas Wain, Executive Director  
Win the War! Against Violence  
P. O. Box 11037  
Lexington, KY 40512-1037

Dear Mr. Wain:

On behalf of the faculty, staff and students of Murray State University (MSU), I am pleased to submit this letter of support for the Win the War! Against Violence Campaign.

Murray State is committed to promoting the safety and well-being of faculty, staff, students and visitors and also the citizens in surrounding communities. MSU is a proud partner of the Safe Communities International Program and has been designated a "Safe Community" by the Home and Community Partnerships and Initiatives National Safety Council.

The *Not In Our Town!* Public Broadcasting Service Film was produced due to the actions of the citizens of a Billings, Montana, community that wanted to take a stand against their neighbors' to express an intolerance for violence. One member of the Murray State Board of Regents – Mrs. Susan Guess – has been instrumental in her work to bring this initiative to Murray, Kentucky, and the surrounding communities. Mrs. Guess has taken this work a step further and has launched a statewide alliance – *Not in Our State: Kentucky Anti-Bullying Initiative* – an undertaking which has the full support of Murray State University.

Murray State University is proud to lend support to the Win the War! Against Violence Campaign and we applaud your efforts to help end violence in our schools and communities.

Sincerely,

Randy J. Dunn  
President
